Re: Water Quality Reports for PWS#04-07-169 submitted April 24, 2013

Dear Saguaro View Management Inc,

The Maricopa County Environmental Services Department (MCESD) Drinking Water Program (DWP) has received the water quality laboratory reports for well# 55-618836 submitted for Saguaro View Management Inc. drinking water system permit (PWS#04-07-169) on April 24, 2013 in association with the compliance order (cause# EF-12-00561) issued July 19, 2012. The Drinking Water Program has reviewed these reports and determined that the Saguaro View Management Inc. public water system is in full compliance with the current drinking water rules and regulations enforced by this department.

MCESD drinking water rules require the Saguaro View Management Inc. public water system to resume its current water quality compliance monitoring schedule effective the date of this letter. MCESD has no further request for information at this time and will consider compliance order (cause# EF-12-00561) resolved as of the date of this letter.

Please contact me directly with any questions related to this matter at (602)506-6935 or via email at [kentringer@mail.maricopa.gov](mailto:kentringer@mail.maricopa.gov).

Sincerely,

A handwritten signature in black ink that reads "Kentringer R.S.".
